ECO-VECTOR PUBLISHING HOUSE

Our journals

Eco-Vector Publishing House publishes over 300 academic peer-review journals in a wide range of scientific fields.

Our journal catalogue includes both high-impact academic titles with a rich history as well as newer journals in emerging areas of science. Our journals cover fields such as medicine and health, physical and mathematical sciences, philosophy, economics, law, life sciences, arts and culture, education, politics, and more. Our journals have gained international recognition, with a constantly growing number of readers and authors worldwide.

Eco-Vector Publishing House offers a full range of publishing services for print and electronic journals in languages (Russian, English, Chinese, Portuguese, etc.), ranging from developing the publishing concept to distribution of complete issues.

Eco-Vector Publishing House offers a wide range of services to move your publications from print to online, including DOI assignment, archiving, indexing in international databases, and workflow automation management.

Our Services

- Registration and Inclusion in Scientific Search Engines and Databases
- Assignment of pISSN and eISSN
- Website Creation
- Establishment of Electronic Editorial Office
- Formation of Reviewer Panels
- Scientometric Audit of Editorial Boards
- Upgrade Editorial Standards
- Organizing Manuscript SUBMISSION and Peer-Review Processes
- Copyediting, Proofreading and Layout (PDF, HTML, XML)
- Provision of Licensed Fonts and Typeset
- Figures and Tables Editing
- Translation and Language Editing by Native Speakers
- Online Article Publication
- Circulation and Distribution
- DOI Assignment
- Usage Statistics and Altimetrics
- Complex Journal Audit and Development Programm Creation

PUBLICATION

SUBMISSION

Editor-in-Chief:
Alexander M. Kudryavtsev,
Dr. Sci. (Biology), Professor,
Corresponding Member
of the Russian Academy of Sciences

Frequency: 6 issues per year

Audience: Specialists in biological sciences interested in current issues in various areas of modern biology; healthcare professionals, post-graduate students, university professors, senior students of biology departments

Indexing: RUS White List (L1), OpenAlex, Crossref

<https://journals.eco-vector.com/0042-1324>
